

REACH Certificate of Compliance

Western Digital Products

April 29, 2019

Western Digital®

Western Digital products are in compliance with European Union Regulation 1907/2006 on the Registration Evaluation Authorization and Restriction of Chemicals (REACH).

Based on information provided by our suppliers, Western Digital designates the products listed in this certificate as REACH compliant for orders based on or after the date of this certification.

REACH compliant means that:

- Our products are not intended to release substances during normal and reasonably foreseeable conditions of use.
- Regarding the Substances of Very High Concern (SVHC) updated candidate list recently released by the European Chemicals Agency on January 15, 2019.
- Western Digital provides customers with information on Substances of Very High Concern (SVHC) contained in products in concentration above 0.1% by weight in a component within the product.

Substance Name	CAS Number	Component
Lead titanium zirconium oxide	12626-81-2	Is contained in some of the ceramic of shock sensor in HDD and some of the electrical component of SSD.
1,2-dimethoxyethane, ethylene glycol dimethyl ether (EGDME)	110-71-4	Is contained in some of the coin batteries in HDD and some of electrical component of SSD.
Lead	7439-92-1	Is contained in some of the solder of diode, the steel alloy of pivot, spacer, spindle motor, vcm and copper alloy of carriage in HDD and some of the electrical component of SSD.
lead titanium trioxide	12060-00-3	Is contained in some of the glass of crystal and regulator in HDD and some of the electrical component of SSD.
4,4'-isopropylidenediphenol (BPA)	80-05-7	Is contained in some adhesive of spindle motor in HDD and some of some of the electrical component of SSD.

- We will continue to monitor the status of the candidate list as part of our on-going compliance activities, including the possible need under Article 33 of REACH to inform product recipients and consumers if an article contains more than 0.1% by weight per article of any substance that is added to the SVHC candidate list in the future.

Mitsushi Ohmasa

Senior Manager – Product Environmental Compliance

Table of REACH compliant WD products is provided on the following pages.

This Certificate of Compliance is periodically updated and maintained on our website at
